Overview from the Zoom set-up link above:

In this article, we will discuss how to join an instant meeting through an email invite, an instant messaging invite, from the browser, from the Zoom desktop and mobile application, from a landline or mobile phone, and with an H.323 or SIP device.

Before joining a Zoom meeting on a computer or mobile device, you can download the Zoom app from [our Download Center](#). Otherwise, you will be prompted to download and install Zoom when you click a join link.

You can also [join a test meeting](#) to familiarize yourself with Zoom.

Prerequisites

- Each meeting has a unique 9, 10, or 11-digit number called a [meeting ID](#) that will be required to join a Zoom meeting
- If you are joining via telephone, you will need the [teleconferencing number](#) provided in the invite.
